

# AI Use Disclosure

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

For more information on our policy, please refer to: <https://parsa-rajabi.github.io/cmpt-276/#/ai-policy>.

\* Required

1. First Name \*

Clement

2. Last Name \*

Lau

3. SFU Student ID \*

4. Which assignment/lab/project submission is this AI use disclosure for? \*

Project Milestone #2

5. How do you feel about using AI content generators in relation to your personal standards of academic integrity for this submission? \*

|  | Completely<br>Acceptable         | Somewhat<br>Acceptable | Neutral               | Somewhat<br>Unacceptab<br>le | Completely<br>Unacceptab<br>le |
|--|----------------------------------|------------------------|-----------------------|------------------------------|--------------------------------|
| In my personal standard of academic integrity, using AI content generators for this submission is... | <input checked="" type="radio"/> | <input type="radio"/>  | <input type="radio"/> | <input type="radio"/>        | <input type="radio"/>          |

6. Please explain your rating above regarding academic integrity of AI use for this submission. Why? (Write in 2-3 sentences) \*

This milestone is a massive step in a short time period, thus I believe that the use of AI is reasonable. Furthermore, web development is something a lot of us never had experience in.

7. How did using AI content generators impact **your learning** for this submission? \*

|  | Greatly benefited my learning    | Somewhat benefited my learning | Had no impact on my learning | Somewhat hindered my learning | Greatly hindered my learning | I did not use AI for this submission |
|--|----------------------------------|--------------------------------|------------------------------|-------------------------------|------------------------------|--------------------------------------|
| Using AI content generators for this submission... | <input checked="" type="radio"/> | <input type="radio"/>          | <input type="radio"/>        | <input type="radio"/>         | <input type="radio"/>        | <input type="radio"/>                |

8. Please explain your rating above about AI's impact on your learning for this submission. (Write in 2-3 sentences, input N/A if you have not used any) \*

AI significantly increased my productivity by troubleshooting issues and reducing time spent on repetitive tasks. In addition, it significantly helped me learn and increased my knowledge in web development.

9. For this submission, how would you rate the relative contribution made by your versus AI? \*

|                       | Entirely by myself, no contribution from AI | Mostly by myself, some contribution by AI | Evenly split between myself and AI | Mostly by AI, some contribution by myself | Entirely by AI, no contribution from myself | Fair                  |
|-----------------------|---|---|------------------------------------|---|---|-----------------------|
| This submission is... | <input type="radio"/>                       | <input checked="" type="radio"/>          | <input type="radio"/>              | <input type="radio"/>                     | <input type="radio"/>                       | <input type="radio"/> |

10. List all the **AI tools** AND the **specific prompts** you used for this submission (input N/A if you have not used any) \*

ChatGPT (too many prompts to list, but mostly troubleshooting, advice and and Q&A), GitHub Copilot

11. How confident were you in AI's responses that you received? \*

- ☐ Confident
- ☒ Somewhat confident
- ☐ Neutral
- ☐ Somewhat not confident
- ☐ Not confident
- ☐ I did not use AI for this submission

12. How did you ensure the answer you received from the AI tool was correct? (input N/A if you have not used any) \*

A lot of them are code-related, so if the code does not work, then the answer is incorrect

13. Did you at any point abandon using AI tools and seek other resources? Explain your answer. \*

What made you abandon using the AI tool? Were you more successful using other resources? Input N/A if you have not used any

Sometimes. Occasionally Stack Overflow would help, but most of the time I just figure out on my own.

14. For each of the following items, how would you rate the relative contribution made by you versus AI? \*

| Entirely by<br>myself, no<br>contribution<br>from AI | Mostly by<br>myself,<br>some<br>contribution<br>by AI | Evenly split<br>between<br>myself and<br>AI | Mostly by<br>AI, some<br>contribution<br>by myself | Entirely by<br>AI, no<br>contribution<br>from myself | Not<br>applicable |
|--|---|---|--|--|-------------------|
|--|---|---|--|--|-------------------|

**Writing -**

**Proofreading:**

To revise written work for grammar, typos, style, and other related items

**Writing -**

**Text**

**Completion:**

To complete sentences, paragraphs or even entire documents

**Writing -**

**Text**

**Ideation:** To generate new ideas, concepts; and examples for writing submissions

**Text analysis:**

To make sense of text and generate insight as to what it means

|  | Entirely by myself, no contribution from AI | Mostly by myself, some contribution by AI | Evenly split between myself and AI | Mostly by AI, some contribution by myself | Entirely by AI, no contribution from myself | Not applicable |
|--|---|---|------------------------------------|---|---|----------------|
|--|---|---|------------------------------------|---|---|----------------|

**Summary:** To quickly understand large amount of text by extracting important information

|                                  |                       |                       |                       |                       |                       |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Q&A + Research:** To get answers from questions and find relevant information

|                       |                       |                                  |                       |                       |                       |
|-----------------------|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|-----------------------|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|

**Illustration/ Sketching:** To create visual representations of concepts and ideas such as diagrams, charts, illustrations

|                                  |                       |                       |                       |                       |                       |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Coding - Write:** To generate code by AI for software implementation

|                       |                                  |                       |                       |                       |                       |
|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|

**Coding - Test:** To generate

|                       |                       |                                  |                       |                       |                       |
|-----------------------|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|
| <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
|-----------------------|-----------------------|----------------------------------|-----------------------|-----------------------|-----------------------|

|   | Entirely by myself, no contribution from AI | Mostly by myself, some contribution by AI | Evenly split between myself and AI | Mostly by AI, some contribution by myself | Entirely by AI, no contribution from myself | Not applicable                   |
|---|---|---|------------------------------------|---|---|----------------------------------|
| <u>code tests</u> by AI for software implementation   |   |   |                                    |   |   |                                  |
| <b>Coding - debug:</b> To identify issues with existing code for software implementation        | <input type="radio"/>                       | <input checked="" type="radio"/>          | <input type="radio"/>              | <input type="radio"/>                     | <input type="radio"/>                       | <input type="radio"/>            |
| <b>Coding - explanation:</b> To understand what a code snippet does for software implementation | <input type="radio"/>                       | <input checked="" type="radio"/>          | <input type="radio"/>              | <input type="radio"/>                     | <input type="radio"/>                       | <input type="radio"/>            |
| <b>Other:</b> to help any other aspects of the submission not listed above                      | <input type="radio"/>                       | <input type="radio"/>                     | <input type="radio"/>              | <input type="radio"/>                     | <input type="radio"/>                       | <input checked="" type="radio"/> |

15. Please explain your ratings above, especially if you have AI tools for "other" types of work. \*

I don't recall any writing components that I used AI on. For coding, GitHub Copilot played a substantial role, especially for tests.

16. Please leave any further comments above use of AI tools for this submission / CMPT 276
