

# AI Use Disclosure

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

6. Please explain your rating above regarding academic integrity of AI use for this submission. Why? (Write in 2-3 sentences) \*

I think most ideas are always generated by us but AI helps develop those, in two ways one by making the process much fast however that takes away from our learning.

7. How did using AI content generators impact **your learning** for this submission? \*
